Re: PLOT TO ASSASSINATE MARTIN LUTHER KING
AND JACK GREENBERG, ATTORNEY,
NATIONAL ASSOCIATION FOR THE
ADVANCEMENT OF COLORED PEOPLE (NAACP)
MOBILE, ALABAMA, MAY 17, 1964

Reference is made to a previous communication dated April 6, 1964, at Miami, Florida, captioned " Sidney C. Barnes ".

A source, who has furnished reliable information in the past and in addition has furnished information which could not be verified or corroborated, advised as follows.

On April 27, 1964, he was unable to contact Sidney C. Barnes during the weekend of April 25 - 26, 1964. The source was advised by Mrs. Barnes that she would notify the source as soon as she heard from her husband. She did not indicate where her husband had gone.

During the week of April 27, 1964, spot checks were made of Barnes' residence by agents of the Miami Office of the Federal Bureau of Investigation and Barnes' 1955 Pontiac was not observed. His car was observed at his home on the afternoon of May 5, 1964.

On May 4, 1964, Sidney Barnes telephonically contacted the source advising that he had just returned home and would meet with the source on May 7, 1964.

On May 5, 1964, the same source advised that he was unexpectedly contacted by Sidney C. Barnes at 9:30 A. M. on May 5, 1964. At this time Barnes furnished the following information:

He stated he left Miami, Florida, in his personally owned automobile early on the morning of April 24, 1964; and visited Mobile, Alabama, Pascagoula, and Gulfport, Mississippi, and returned to Miami, Florida, on May 2, 1964.

Re: PLOT TO ASSASSINATE MARTIN LUTHER KING; ET AL

While in Mobile he attended a speech by Alabama Governor George Wallace on April 27, 1964, where he passed out anti-Jewish literature with Noah Jefferson Carden, Horace Gaar, [redacted] [redacted] first name believed to be [redacted] and other people from the National States Rights Party.

b6
b7C
b7D

A characterization of the National States Rights Party is attached hereto and sources therein have furnished reliable information in the past.

Barnes described [redacted] as a minister who is head of the National States Rights Party (NSRP), Mobile, Alabama, and that he, Barnes, spent two nights at the home of [redacted]

b6
b7C
b7D

Barnes advised that John Kasper, Edward Fields, J. B. Stoner and other NSRP members will hold a meeting and make speeches in Mobile, Alabama, on May 15, 1964.

The source advised that John Kasper, Jr. is a race agitator whose true name is Frederick John Kasper, Jr. Kasper was active in the White Citizens Council, Washington, D. C., and traveled extensively from 1955 through 1958. He was reportedly residing in Nashville, Tennessee, about 1958 when he was arrested on a charge of inciting a riot. The source advised that Edward Fields resides in Birmingham, Alabama, and is the information director of the NSRP. J. B. Stoner resides in Atlanta, Georgia, and is the attorney for the NSRP.

Regarding the meeting in Mobile, Barnes stated that several locations have been selected for armed men to be stationed on May 17, 1964, when Martin Luther King and Jack Greenberg, reported to be an attorney for the National Association for the Advancement of Colored People (NAACP) from New York, are scheduled to speak. The armed men will be equipped with high-powered rifles, carbines, and other weapons and have orders to kill King and Greenberg. He advised that the armed men are to protect and assist each other to escape. He stated that Governor George Wallace would not let anyone "burn" if apprehended by authorities.

Re: PLOT TO ASSASSINATE MARTIN LUTHER KING; ET AL

Barnes related that May, 1964, is the date "patriots" are to move throughout the country to take the country back from the "Jews". He stated that the Negroes are not a problem as the Jews are pushing the Negroes to integrate.

Barnes advised that they are working closely with William Potter Gale and Dr. Wesley Swift from the Los Angeles, California area. Gale and Swift are associated with the Christian Knights of the Invisible Empire, also known as the Ku Klux Klan.

A characterization of this Klan is attached hereto and sources therein have furnished reliable information in the past.

Concerning Noah Carden and Horace Gaar, Barnes advised that they had been arrested in possession of two carbines and one rifle, one of the carbines having been converted to a machine gun. They were stopped by authorities because of a burned out taillight on their car. Their car was loaded with sugar to be used in a still. He reported that their attorney is [REDACTED]

[REDACTED] who has his office in [REDACTED]
[REDACTED] Barnes stated the man backing Carden and Gaar in the operation of the illegal still is to put up \$750.00 for attorney fees during this week and should he fail to come up with the money he may be killed.

Barnes suggested to the source that they have no additional meetings and that they should not be seen together and the source is to forget and not repeat to anyone their conversation.

The source noted that Barnes acted suspicious and nervous during this contact which he had not previously displayed. Barnes advised that the carbine rifle he obtained in Miami was left with Carden and Gaar.

The source advised that he has no further information regarding any of the subject matter as furnished by Barnes.

Re: PLOT TO ASSASSINATE MARTIN LUTHER KING; ET AL

The following is set forth concerning a previous contact between the same source and Barnes.

On February 17, 1964, Barnes stated he had a 15 shot carbine which he had obtained through Fort Mc Clelland, Alabama, and would like to obtain another carbine for a friend in Alabama. On the same date Barnes said that after the Birmingham bombing Martin Luther King threatened to come to Mobile, Alabama, to integrate and to put on demonstrations as he did in Birmingham. Barnes stated "We were waiting on him to come and had he come to Mobile they were going to kill him even if it meant killing government officials who were protecting King".

In addition Barnes said that Dr. Wesley Swift and William Potter Gale are moving fast in California. He stated they have formed a group known as the Christian Defense League with the main purpose of raising funds for the use of "patriots". While discussing Gale and Swift, Barnes predicted there will be some killings of "big Jews" which will take place at the same time in various parts of the United States. Barnes did not elaborate on this statement.

On February 14, 1964, Barnes informed the source that he was very anti-Semitic and stated there is only one solution and that is to kill the leaders of the "big Jews' organizations".

Barnes specifically referred to the Anti-Defamation League as one of the organizations.

On May 5, 1964, [redacted] 111th INTC Group, Miami, Florida, was furnished the above information.

b7C

The above information has also been furnished to the Miami Police Department and, through them, to the Florida State Attorney's office, Miami, Florida.

APPENDIX

NATIONAL STATES RIGHTS PARTY

1.

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue No. 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

APPENDIXCHRISTIAN KNIGHTS OF THE INVISIBLE EMPIRE,
Also Known as the Ku Klux Klan

On November 4, 1964, a source advised that the organization known as the Christian Knights of the Invisible Empire (CKIE) held its first meeting at Lancaster, California, on October 19, 1963. The source stated that the meeting was presided over by Wesley Albert Swift and that approximately thirty-eight members were inducted. The source stated that Swift explained to those present that the organization was actually the Ku Klux Klan, but since the Klan was regarded as illegal, they would call themselves the Christian Knights of the Invisible Empire.

According to the source, Swift explained the objectives of the organization as being to preserve the Constitution of the United States and the white race and to fight communism. Members of this organization were issued cloth robes and white hoods with eye holes, the robes bearing on the breast a round blue shield and encircling a red cross. Members were urged to wear sidearms to all meetings.

The source further stated that while William Potter Gale is the California State Leader of the CKIE and Wesley Albert Swift ranks as the second functionary or Chaplain, Swift is, in effect, the real power in the CKIE.

On November 5, 1963, a second source stated that [redacted] a local leader of the CKIE in [redacted] had made plans indicating his intention to burn a television shop operated by a Negro at Quartz Hill (Lancaster), California.

b6
b7C
b7D

On November 19, 1963, the Los Angeles County Sheriff's Office, Lancaster, California Substation, advised that on that date a television repair shop belonging to this Negro man was burned by the use of "Molotov" cocktails at Quartz Hill (Lancaster), California, and that their investigation reflected that the fire was most probably set by [redacted] and another close associate, [redacted]

b6
b7C
b7D

The first source advised on November 17, 1963, that the headquarters of the CKIE was then at Swift's home, located at 44616 North Fig Street, Lancaster, California. This source advised on January 8, 1964, however, that Gale may entirely take over the CKIE at Lancaster, California, and in this event the new headquarters would be located at Gale's home, located at 1840 West Avenue K, Lancaster, California.

On 5/5/64, the Atlanta Office advised that their confidential sources have no information showing MARTIN LUTHER KING will be in Mobile on 5/17/64. Newark letter to Bureau dated 3/12/64, captioned "CP, USA, Negro Question, Communist Influence in Racial Matters - IS - C" and "MARTIN LUTHER KING, Jr. - SM - C" advised that KING and other officials of Southern Christian Leadership Conference will be in attendance at the American Baptist Convention, Atlantic City, N. J. The convention is from 5/17 - 24/64; however, there is no indication the exact days that KING will be there. Based on KING's past habits, it is believed he will be there no more than one or two days.

On 5/5/64, the Birmingham Office advised that they had not received any information indicating NSRP to hold meeting, Mobile, 5/15/64.

On 5/5/64, the Mobile Division advised that Alabama Governor GEORGE WALLACE spoke before approximately 7,000 people at Hartwell Field, Mobile, on the night of 4/27/64 to a public meeting of the Mobile County Citizens Council. cannot be verified or corroborated, advised on May 11, 1964,
that SIDNEY C. BARNES contacted him on the evening of May 10,
1964. BARNES advised there are no changes in the plans
regarding the forthcoming week end activities at Mobile,
Alabama. BARNES said he did not plan to visit Mobile in the
near future, however, there will be many "patriots" in Mobile
on May 15, 1964. He also indicated that the "patriots"
attending would not be limited to members of the National
States Rights Party (NSRP).

A characterization of the NSRP is attached hereto
and sources therein have furnished reliable information in
the past.

On May 11, 1964, SIDNEY C. BARNES was interviewed
at his residence in Miami, Florida, by Agents of the Federal
Bureau of Investigation. BARNES stated he resided in Mobile
during the summer and fall of 1963, returning to Miami in
October, 1963, and that he has not returned to Mobile since
that time. BARNES stated he predicted racial violence in
the south during the coming summer and possibly within the
next month. BARNES stated he based this information on
plans by the Negroes to create trouble in southern cities.

NATIONAL STATES RIGHTS PARTY

1.

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue No. 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

MOBILE, ALABAMA, MAY 17, 1964

A source who has furnished reliable information in the past and, in addition, has furnished information which could not be verified or corroborated, advised on May 5, 1964, that on that date Sidney C. Barnes, 3025 Southwest 19th Street, Miami, Florida, furnished the following information to source:

He stated he left Miami, Florida, in his personally owned automobile early on the morning of April 24, 1964, and visited Mobile, Alabama, Pascagoula, and Gulfport, Mississippi, and returned to Miami, Florida, on May 2, 1964.

While in Mobile he attended a speech by Alabama Governor George Wallace on April 27, 1964, where he passed out anti-Jewish literature with Noah Jefferson Carden, Horace Gaar, [redacted] first name believed to be [redacted] and other people from the National States Rights Party (NSRP)

race agitator whose true name is Frederick John Kasper, Jr. Kasper was active in the White Citizens Council, Washington, D. C., and traveled extensively from 1955 through 1958. He was reportedly residing in Nashville, Tennessee, about 1958 when he was arrested on a charge of inciting a riot. The source advised that Edward Fields resides in Birmingham, Alabama, and is the Information Director of the NSRP. J. B. STONER resides in Atlanta, Georgia, and is the attorney for the NSRP.

Regarding Mobile, Alabama, Barnes stated that several locations have been selected for armed men to be stationed on May 17, 1964, when Martin Luther King and Jack Greenberg, reported to be an attorney for the NAACP from New York, are scheduled to speak. The armed men will be equipped with high-powered rifles, carbines, and other weapons and have orders to kill King and Greenberg. He advised that the armed men are to protect and assist each other to escape. He stated that Governor George Wallace would not let anyone "burn" if apprehended by authorities.

Barnes related that May, 1964, is the date "patriots" are to move throughout the country to take the country back from the "Jews." He stated that the Negroes are not a problem as the Jews are pushing the Negroes to integrate.

Barnes advised that they are working closely with William Potter Gale and Dr. Wesley Swift from the Los Angeles, California, area. Gale and Swift are associated with the Christian Knights of the Invisible Empire, also known as the Ku Klux Klan.(CKIE)

A characterization of this Klan is attached hereto and sources therein have furnished reliable information in the past.

Concerning Noah Carden and Horace Gaar, Barnes advised that they had been arrested in possession of two carbines and one rifle, one of the carbines having been converted to a machine gun. They were stopped by authorities because of a burned out taillight on their car. Their car was loaded with sugar to be used in a still. He reported that their attorney is [REDACTED]

Barnes suggested to the source that they have no additional meetings and that they should not be seen together and the source is to forget and not repeat to anyone their conversation.

The source noted that Barnes acted suspicious and nervous during this contact which he had not previously displayed. Barnes advised that the carbine rifle he obtained in Miami was left with Carden and Gaar.

The source advised that he has no further information regarding any of the subject matter as furnished by Barnes.

The following is set forth concerning a previous contact between the same source and Barnes.

On February 17, 1964, Barnes stated he had a 15 shot carbine which he had obtained through Fort McClelland, Alabama, and would like to obtain another carbine for a friend in Alabama. On the same date Barnes said that after the Birmingham bombing Martin Luther King threatened to come to Mobile, Alabama, to integrate and to put on demonstrations as he did in Birmingham. Barnes stated "We were waiting on him to come and had he come to Mobile they were going to kill him even if it meant killing government officials who were protecting King."

In addition Barnes said that Dr. Wesley Swift and William Potter Gale are moving fast in California. He stated they have formed a group known as the Christian Defense League with the main purpose of raising funds for the use of "patriots." While discussing Gale and Swift, Barnes predicted there will be some killings of "big Jews" which will take place at the same time in various parts of the United States. Barnes did not elaborate on this statement.

On February 14, 1964, Barnes informed the source

PLOT TO ASSASSINATE MARTIN LUTHER KING; ET AL

that he was very anti-Semitic and stated there is only one solution and that is to kill the leaders of the "big Jews' organizations."

Barnes specifically referred to the Anti-Defamation League as one of the organizations.

The April 28, 1964, issue of the Mobile Register, a daily newspaper published at Mobile, Alabama, reported that Alabama Governor George C. Wallace had spoken the previous night at Hartwell Field in Mobile to more than 7,000 persons in urging support of the independent elector candidates supported by Wallace in the Alabama Primary scheduled for May 5, 1964. The meeting was sponsored by the Mobile County Citizens Council and the Alabama State Sovereignty Commission for the stated purpose of raising funds to support the campaign of Governor Wallace in other states and an estimated \$17,000.00 was contributed. Other speakers on the program included Probate Judge John Moore of Mobile and Leonard Wilson of Jasper, Alabama, Executive Secretary of the Citizens Councils of Alabama.

On April 28, 1964, [redacted] Intelligence Unit, Mobile, Alabama, Police Department, advised that he had attended the speech of Governor Wallace the previous night and the only type of literature observed by him to be distributed there was of a political nature. He stated that in the past anti-Jewish literature had been distributed in downtown Mobile and he had been on the alert for such type of literature to be given out by persons attending the Wallace rally. He particularly had been on the lookout for Noah Jeff Carden and [redacted] as in the past literature bearing the label of the NSRP and also bearing [redacted] stamped name had been distributed in Mobile. He is acquainted with [redacted] and Carden but did not see either of them at the Wallace speech.

b6

It is noted that [redacted] has previously been identified publicly as [redacted] of the Mobile County White Citizens Council [redacted] which is a separate organization from the Mobile County Citizens Council which sponsored the talk by Governor Wallace.

The April 12, 1964, issue of the Mobile Press

PLOT TO ASSASSINATE MARTIN LUTHER KING; ET AL

Register, Sunday newspaper published at Mobile, Alabama, reported that a Freedom Rally would be held in Mobile May 16 and 17, 1964, as announced by Negro leader John L. LeFlore who said that the rally was to commemorate the tenth anniversary of the United States Supreme Court's school desegregation decision of May 17, 1954. The article reported that the session of Saturday, May 16, 1964, would be devoted to discussions of health, education, jobs, voter registration and civil rights techniques. On Sunday, May 17, 1964, Jack Greenberg of New York City, Director and Counsel of the NAACP Legal Defense and Educational Fund, would be the main speaker.

LeFlore, who is Director of Case Work for the Citizens Committee which is one of the sponsoring organizations for the Freedom Rally, advised on May 6, 1964 that Greenberg is to speak on May 17, 1964. He said, however, that Reverend Martin Luther King is not scheduled to speak at this rally and has not been invited. LeFlore has previously advised on a number of occasions that his organization has not felt inclined to invite Reverend King to Mobile as they felt that demonstrations of the type sponsored by King were not desired. LeFlore advised that the Saturday session, May 16, 1964, of the Freedom Rally would be from 10:00 a.m. to 2:00 p.m. with a panel discussion headed by several attorneys. The Sunday session will be from 3:00 to 5:00 or 5:30 p.m. and will consist for the main part of the speech by Greenberg. He said that the National Broadcasting Company-TV of New York City will photograph most of the rally of May 17, 1964, including Greenberg's speech. LeFlore advised that both sessions of the Freedom Rally will be held at the International Longshoremen's Association Hall on Davis Avenue in Mobile.

Information furnished by the source as set forth above concerning the alleged threats to kill King and Greenberg and also the allegation of the possibility of killing the man backing Carden and Gaar was furnished on May 6, 1964, to [redacted] Intelligence Unit, Mobile Police Department. This information was also furnished on May 8, 1964, to Agent [redacted] U.S. Military Intelligence, 2301 Grant Street, Mobile, and on May 11, 1964, to Agent [redacted] U.S. Secret Service, Mobile. On May 8, 1964, [redacted] advised that he had discussed this matter in detail with Chief of

On May 11, 1964, [] advised that the Mobile Police Department will provide maximum security for the Freedom Rally, May 16 and 17, 1964, particularly on May 17, 1964, during the time when Greenberg is in Mobile.

On May 12, 1964, [REDACTED] advised that on that morning he had spoken with [REDACTED] who advised him that there would be a meeting sponsored by the NSRP at the Sage Avenue Armory on Friday night, May 15, 1964. [REDACTED] advised that there would be men in Bienville Square in downtown Mobile on Friday afternoon, May 15, 1964, passing out literature and carrying signs advertising the meeting that night. [REDACTED] also said that it was planned to have pickets at the International Longshoremen's Association Hall on Saturday and Sunday, May 16 and 17, 1964, during the Freedom Rally meetings. He said it was also expected that there would be pickets during this time at the Battle House Hotel in downtown Mobile which hotel in the past has rented rooms to Negroes and presumably because it can be expected that Negroes attending this Freedom Rally from out of town would be staying at the Battle House.

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue #19, dated June 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who "runs the NSRP".

The March 1959, issue of the Anti-Defamation League Bulletin contained an article by JEROME BAKST entitled "Angry Young Men of Hate". Regarding EDWARD R. FIELDS, the article stated "FIELDS, 26 years old and a Louisville chiropractor, is a key figure in the National States Rights Party and coordinator of all its activities, contacts and liaison with leaders of other hate groups. He apparently started Jew-baiting in his teens, aided STONER in the Christian Anti-Jewish Party, and got involved in newspaper notoriety while attending chiropractory school in Davenport, Iowa. A source advised in May 1961, that Dr. EDWARD R. FIELDS participated in the disturbance at the Trailways Bus Station, Birmingham, on May 14, 1961, involving the "Freedom Riders" and, in fact, caused the fighting there.

APPENDIXCHRISTIAN KNIGHTS OF THE INVISIBLE EMPIRE,
Also known as The Ku Klux Klan

On November 4, 1963, a source advised that the organization known as the Christian Knights of the Invisible Empire (CKIE) held its first meeting at Lancaster, California, on October 19, 1963. The source stated that the meeting was presided over by Wesley Albert Swift and that approximately thirty-eight members were inducted. The source stated that Swift explained to those present that the organization was actually the Ku Klux Klan, but since the Klan was regarded as illegal, they would call themselves the Christian Knights of the Invisible Empire.

According to the source, Swift explained the objectives of the organization as being to preserve the Constitution of the United States and the white race and to fight communism. Members of this organization were issued cloth robes and white hoods with eye holes, the robes bearing on the breast a round blue shield and encircling a red cross. Members were urged to wear sidearms to all meetings.

The source further stated that while William Potter Gale is the California State Leader of the CKIE and Wesley Albert Swift ranks as the second functionary or Chaplain, Swift is, in effect, the real power in the CKIE.

On November 5, 1963, a second source stated that [redacted] a local leader of the CKIE in [redacted] had made plans indicating his intention to burn a television shop operated by a Negro at Quartz Hill (Lancaster), California.

b6
b7C
b7D

On November 10, 1963, the Los Angeles County Sheriff's Office, Lancaster, California Substation, advised that on that date a television repair shop belonging to this Negro man was burned by the use of "Molotov" cocktails at Quartz Hill (Lancaster), California, and that their investigation reflected that the fire was most probably set by [redacted] and another close associate, [redacted]

b6
b7C

The first source advised on November 17, 1963, that the headquarters of the CKIE was then at Swift's home, located at 44616 North Fig Street, Lancaster, California. This source advised on January 8, 1964, however, that Gale may entirely take over the CKIE at Lancaster, California, and in this event the new headquarters would be located at Gale's home, located at 1840 West Avenue K, Lancaster, California.

In memorandum dated May 12, 1964, at Mobile, Alabama, information was set forth concerning captioned matter.

On May 15, 1964, [redacted] Intelligence Unit, Mobile Police Department, advised the Mobile Police Department had made detailed security plans for May 16-17, 1964, the dates on which the Negro freedom rally was scheduled for Mobile. He said the ILA Hall, where the rally was to be held on these two dates, would be blocked off and no unauthorized persons allowed in the area. In the event National States Rights Party (NSRP) pickets were present during the Negro meeting, several officers would be on hand to preserve the peace.

b6
b7C

It is noted that Reverend MARTIN LUTHER KING was not scheduled to come to Mobile during this period. [redacted] advised that JACK GREENBERG would be picked up at the municipal airport in a police department vehicle and accompanied to Mobile by a minimum of eight officers, including [redacted]. The route taken from the airport to Mobile would not be the usual route, and a minimum of two officers would stay with GREENBERG at all times while in Mobile. Plans were made to take GREENBERG back to the airport after he made his speech, and he would be taken to the airport in the same manner he would be brought to Mobile, although a different route would be used. The routes to and from the airport were known only to [redacted] and Chief of Police JAMES J. ROBINSON and would be given to the police driver after travel was begun.

SIDNEY CROCKETTE BARNES

Reference is made to a previous communication dated May 13, 1964, captioned "SIDNEY CROCKETTE BARNES," and communication dated May 12, 1964, at Mobile, Alabama, captioned "PLOT TO ASSASSINATE MARTIN LUTHER KING AND JACK GREENBERG, ATTORNEY, NAACP, MOBILE, ALABAMA, MAY 17, 1964."

A source who has furnished reliable information in the past and in addition has furnished information which could not be verified or corroborated, advised as follows:

On May 12, 1964, SIDNEY C. BARNES related to the source the entire interview he had with Bureau Agents on May 12, 1964. In discussing the interview, BARNES noted the FBI is very interested in the Baptist Church bombing in Birmingham, Alabama, and they appear to be on the "right track." BARNES related he is personally not concerned as he was in Mobile when the church was bombed, and the FBI could not incriminate him. However, the questions by the Agents indicated to him the FBI knows the identities of the persons responsible. BARNES attributed this remark to questions concerning Col. WILLIAM P. GALE of Lancaster, California, and "JEFF" CARDEN of Mobile, Alabama. BARNES advised that the Agents questioned him regarding numerous individuals from various parts of the country and in answering the Agents he made it a point to tell them that the individuals known to him he had only contacted one or two times and in some cases told them he did not know the individuals.

RE: PLOT TO ASSASSINATE MARTIN LUTHER KING
AND JACK GREENBERG, ATTORNEY, NAACP,
MOBILE, ALABAMA, MAY 17, 1964;
SIDNEY CROCKETTE BARNES

BARNES stated that in his opinion someone in Alabama has been doing a lot of talking. BARNES advised that the carbine gun obtained by the authorities in Mississippi, when "JEFF" CARDEN and HORACE GARR were arrested, belongs to Col. WILLIAM P. GALE. BARNES did not further elaborate except to say that CARDEN was keeping the gun for GALE.

BARNES also told the source that he informed the Agents there will be racial violence in the south within the period of one month.

BARNES said that the Agents questioned him regarding any recent trips he had made and that he replied by telling the Agents he had not been out of the State of Florida since last fall, although he had made a recent trip to northern Florida, but that this trip did not include Jacksonville, Florida.

During the conversation BARNES said that if "MARTIN LUTHER KING goes to Alabama, he (KING) will not get out of the state alive."

On May 19, 1964, the same source advised that he was contacted by BARNES on May 18, 1964, at which time BARNES related as follows:

BARNES stated that he made a long distance telephone call to [redacted] at Mobile, Alabama, on the evening of May 17, 1964. He stated that "COON" did not show, but that JACK GREENBERG was there. He said that since their main target was not there, there was no point in bothering with GREENBERG.

b6
b7C
b7D

He further advised that JOHN CASPER, described by the source as a well known race agitator, was a "flop" and was not liked by the people in Mobile. BARNES said their "group" picketed the "Battle House" in Mobile, Alabama, on May 17, 1964. In addition, he stated that the Mobile

police contacted the brother to [] prior to the
week end of May 17, 1964. BARNES did not elaborate on
this remark.

b6
b7C

BARNES stated that MARTIN LUTHER KING has been
"shooting off his mouth and if he comes to Alabama he had
better bring the Federal troops with him." BARNES stated
about eight Negro leaders are listed to be killed,
including KING; JAMES FARMER (head of CORE, New York City);
(FNU) [] not further identified; Congressman ROBERT
CLAYTON POWELL and others, who were not identified by
BARNES.

NATIONAL STATES RIGHTS PARTY

1.

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue No. 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

Freedom Demos Launch Drive

JACKSON, Miss.—Martin Luther King comes to this racially troubled state today to aid the newly formed Mississippi Freedom Democratic Party in its drive to unseat the all-white regular Democratic delegation to next month's national convention.

Civil rights leaders said Dr. King, head of the Southern Negro Tougaloo College near Jackson, would spend at least five days in the state, speaking at mass rallies in Jackson, Greenwood, Meridian and Vicksburg.

Another Negro leader, James Farmer, the Texas-born national director of the Congress of Racial Equality, is scheduled to arrive in Mississippi later this week to boost the Freedom Democratic Party movement.

Even before the formal announcement organizing the Freedom Democrats yesterday, the group had received assurances from regular Democratic delegations in New York, Michigan, Wisconsin, Oregon, California and Colorado of support on the floor of

the National Democratic Convention which begins Aug. 24 at Atlantic City, N. J.

Mrs. Victoria Gray, a Hattiesburg Negro housewife, said the party was formed because Mississippi Negroes haven't been able to vote in sufficient numbers to force a change in the regular Democratic party structure.

Mrs. Gray, an unsuccessful candidate against Sen. John C. Stennis, D-Miss., in the recent Democratic primary, was named as the Freedom Democrats' national committee woman.

The national committeeman is the Rev. Edwin King, a white Methodist minister who is chaplain at predominantly

Negro Tougaloo College near Jackson.

Mrs. Gray said a campaign would be launched to get 100,000 Negroes to sign a "freedom registration roll" to dramatize to the national convention the number of Negroes disfranchised in the state.

Mississippi, according to unofficial estimates has some 26,000 registered Negro voters out of 450,000 of voting age.

The regular Democrats hold their state convention here July 28 to name the national delegates and decide on a course in the presidential election.

Unpledged elector forces of former Gov. Ross Barnett are expected to hold the upper hand at the state convention. Barnett had been backing the candidacy of Alabama Gov. George Wallace, who withdrew from the presidential race Sunday.
